Condo / Townhouse on 0.00 Acres

Belmead, Edmonton, AB

Fantastic, fully renovated 2 bedroom/2 bath home in the Belmead area of West Edmonton.

With 900 sq. feet of living space, this rare California Split layout with TWO MASTER SUITES EACH WITH THEIR OWN ENSUITES

has tons of storage and is a true gem!

Nothing in this property was left untouched when remodeled three years ago. All new vinyl plank flooring throughout, new Ikea

kitchen with pantry, brick backsplash and stainless steel appliances, new bathroom vanities, tiled shower and tub surrounds,

baseboards, fixtures and a fresh coat of paint. Enjoy the upcoming summer evenings on your large west facing balcony!

The location of this property can't be beat with W. Edmonton mall a short walk away, transit across the street,

and only a few blocks from the LRT station stop currently under construction. This quiet building has been well maintained over the

years (new roof, windows, boiler system, security etc). Add in the healthy reserve fund this property with reasonable condo fees is a

solid investment.
