Brand new home under construction where you can still choose all the finishing touches! The floor plan is nearly identical to the Show Home at 558 Meadowview Dr, but this one includes a 28' x 29' triple attached garage. The main floor features a spacious mudroom and a walk-through butler's pantry with sink, beverage fridge, and wine rack. The chef's kitchen offers built-in appliances and a 7' island that flows into the dinette with coffered ceiling and 9' sliding patio door. The great room showcases a soaring 17' ceiling with a gas fireplace and full-height stone mantel. Upstairs, the primary suite boasts a coffered ceiling, 5-piece ensuite with standalone tub and double shower, and a walk-through closet leading to the laundry room. A coffered-ceiling bonus room, 2 additional bedrooms, and a 4-piece bath complete the level.
